SUMMARY OF THE REASONS FOR DECISION:

The publication is an Australian magazine which presents explicit sexual material for a male readership, such as photographs and stories depicting sex acts in graphic detail. The sexual conduct portrayed includes fellatio, simultaneous vaginal and anal intercourse, and ejaculations over women's faces. The manner of the content of the magazine is degrading, dehumanising and demeaning to women, and represents throughout that women are inferior. In consideration of this combination of factors, the availability of the publication is likely to be injurious to the public good. It is classified as objectionable.
